

**As a global
Indian with assets
& income in and
outside India,
you need this**

A relief from complications in Tax & Regulatory compliance

- The ever-changing tax rules, compliances in multiple countries you operate in is a terrible challenge for you as an Individual
- Non-adherence creates anxiety and loss of productivity. Ignorance is never a bliss here, you are taxed with heavy penalties
- Problems could arise from simple things such as a OCI card renewal to IT Notices or an innocent wrong reporting of your investments, TDS issues and following personal appearances to offer explanation
- It is prudent to evaluate where you stand, identify the gaps if any and take corrective action.

Get your TaxCheck at FinMo, our experts help you identify the gaps, analyse your finances, evaluate your compliance in respective tax laws, we advice you with corrective action.

At an agreed additional fee, we also guide you in the following areas:

- Preparation of Tax Computation and Tax returns Filing
- FEMA Advisory
- Scrutiny/Re-Assessment Proceedings
- Rectification and Refund Proceedings
- Obtaining Lower Deduction Certificate from the TDS authorities
- Bank Attachment or any other general notice reply
- Appeal Proceedings to Represent before the Commissioner of Income Tax (Appeals)
- Appeal Proceedings to Represent before the Income Tax Appellate Tribunal

Know more about these crucial aspects. To avoid getting a notice from authorities, do reach us as at:
