FINCHECK

FAMILY WEALTH ANALYSIS

Get your family analysis through **FinCheck**, a unique family wealth analysis service, the first of its kind and from **FINMO**, a SEBI Registered Advisory.

FINCHECK is like a Master health check-up which gives you clarity on your family finances. **FINCHECK** helps you plan,

-  Guides you with your present investments and helps you with the decision to continue or discontinue, with analysis and sound logic
-  Helps you decide to buy more properties or sell some of them to create cash comfort
-  Guides you to create substantial assets in the next 10-15 years, that can take care of rest of your life
-  And if you already have sufficient assets, FinCheck analysis shows you how to protect it and create income to meet your monthly expenses
